

# To change the language on kibaco to English

The login screen of kibaco is always displayed in Japanese.

- Enter your user ID and password for kibaco to 「ユーザ ID」 (User ID) and 「パスワード」 (Password) fields, respectively, and click the 「ログイン」 (Log in) button.

The left screenshot shows the kibaco homepage with a sidebar containing links like '利用ガイド' and 'ログインについて'. The right screenshot shows the 'Login Page' with instructions in Japanese about user ID and password requirements. Red boxes highlight the 'User ID' and 'Password' fields, and the 'Login button'.

- If your login attempt was successful, the 「マイページ」 (Home) screen will be displayed.

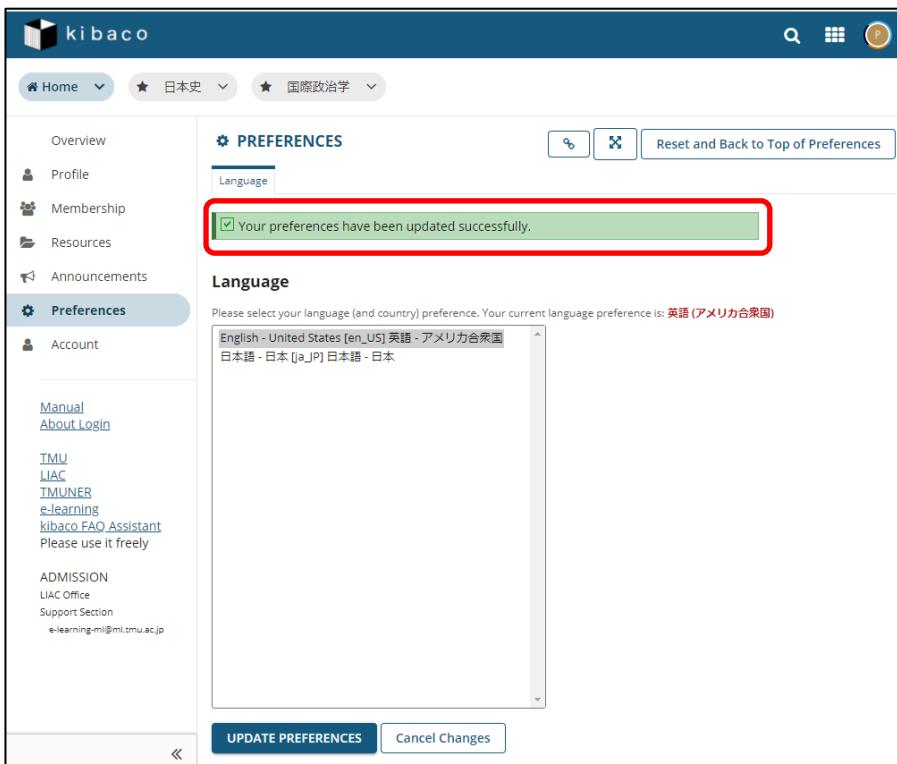

Click the 「画面設定」 (Preferences) link.

The 'My Page' screen shows a sidebar with links like 'マイページ', '日本史', '国際政治学', 'ホーム', 'ユーザ情報', '授業一覧', '資料', 'お知らせ', and '画面設定'. The '画面設定' link is highlighted with a red box. The main content area shows a weekly schedule grid for '曜日割' (Time Allocation) with days from Monday to Sunday. A message at the bottom states: 'kibacoを利用しない等の理由により、上記の時間割に表示されない授業があります。履修申請の結果は、CAMPUS SQUAREで確認してください。'

3. Select 「English – United Stats [en\_US] 英語 – アメリカ合衆国」 in the list, and click the 「設定を更新」(Update Preferences) button.

4. View 「Your preference have been update successfully.」 a few seconds.

This language preference is saved and it is effective after your logout.
